

# Sparkle Power

*(Inspired by Matthew 5:15–16)*

## Verse 1

There's a light in our home that never fades,  
Through laughter and love, it shines every day.  
From morning giggles to bedtime prayer,  
God's light is glowing everywhere.

## Pre-Chorus

When the world feels dark or grey,  
We don't hide our light away -

## Chorus

*We've got sparkle power!  
Shining bright with love and grace.  
We've got sparkle power!  
Lighting up the darkest place.  
Jon, Jaime, Clarry, Toby too,  
God's light is shining through –  
Yeah, we've got sparkle power!  
And we're glowing for You!*

## Verse 2

In kindness we show what love can do,  
In helping hands and words of truth.  
When we share our joy, it starts to grow,  
And the world around begins to glow!

## Pre-Chorus

When the shadows start to fall,  
We remember who we are -

## Bridge

No candle under a bowl tonight,  
We lift it high, let the world see the light!  
We're made to shine, not fade away,  
So we sparkle, sparkle every day!

## Final Chorus

*We've got sparkle power!  
Shining bright with love and grace.  
We've got sparkle power!  
Lighting up the darkest place.  
With laughter, love, and faith so true,  
We'll shine the way You told us to -  
Yeah, we've got sparkle power!  
And we're glowing for You!*

## Outro

Let it shine, let it shine, let it shine...  
Our family's sparkle power divine!
