

# With Joy I Sing

(Inspired by Psalm 100:1-2)

## Verse 1

Every sunrise brings Your mercy,  
Every heartbeat sings Your name.  
You have carried me through valleys,  
And I'll never be the same.  
You're the reason for my laughter,  
You're the song I can't contain.  
With a heart that's full of gladness,  
I will praise You once again!

## Pre-Chorus

The world may fade, but You remain,  
Your love forever true -  
So I'll lift my hands and shout Your name,  
All I am belongs to You!

## Chorus

*With joy I sing, I lift my voice!  
I'll shout for You, the Lord of all the earth!  
You gave me life, You gave me choice -  
To dance in grace and endless worth.  
Oh, every breath and everything -  
With joy I sing, with joy I sing!*

## Verse 2

From the mountains to the oceans,  
Let the nations clap their hands!  
For Your goodness never ceases,  
And Your mercy never ends.  
You have made me for Your presence,  
I was born to bring You praise!  
Every moment, every season,  
Let my life declare Your name!

## Pre-Chorus

The world may fade, but You remain,  
Your love forever true -  
So I'll lift my hands and shout Your name,  
All I am belongs to You!

## Bridge

I'll come before You, heart wide open,  
With songs of gladness, songs of praise.  
You are faithful through the ages,  
Worthy is Your holy name!

## Final Chorus

*With joy I sing, I lift my voice!  
I'll shout for You, the Lord of all the earth!  
You gave me life, You gave me choice -  
To dance in grace and endless worth.  
Now every breath, my offering -  
With joy I sing... to my King!*
