

# Favour From The Lord (Jaime's Song)

*(Inspired by Proverbs 18:22)*

## Verse 1

I was walking through the waiting years,  
Wondering who would stand beside me  
here,  
Then your smile lit the world I knew,  
And grace took form when I found you.

## Verse 2

Every sunrise, every storm we've faced,  
You've been my calm, my steady place.  
Through every joy, through every pain,  
God's hand was guiding us the same.

## Chorus

*'Cause he who finds a wife, finds what is  
good,  
I never dreamed I'd be the man who could.  
Hold a heart so kind, so strong, so sure—  
Jaime, you're my favour from the Lord.  
Yeah, Jaime, you're my favour from the Lord.*

## Verse 3

You've given love that never tires,  
Lit our home with holy fire,  
Our boys laugh in your gentle care,  
Heaven's kindness lives right there.

## Verse 4

Every bedtime prayer, every song we sing,  
You show them what God's mercy brings.  
In your eyes, they see His light,  
In your arms, the world feels right.

## Bridge

When I doubt, you remind me who I am,  
You lift me up with gentle hands.  
You love like Jesus, pure and true,  
Every promise shines through you.

## Final Chorus

*He who finds a wife, finds what is good,  
And I thank God, just like I should.  
For every day, I love you more -  
Jaime, you're my favour from the Lord.  
My gift, my grace, forever yours -  
Jaime, you're my favour from the Lord.*
