

# Good Work (In You)

(Inspired by Philippians 1:7)

## Verse 1

Hey love, I see that fire in your eyes,  
You light the dark, you change the skies.  
Every dream you chase, every step you take,  
You're living proof that grace is awake.  
When the world gets loud, you still stand  
true,  
And I see His heart shining through -  
Yeah, I see His heart shining through!

## Pre-Chorus

You don't have to be afraid of the unknown,  
The One who called you is never letting go!

## Chorus

*He who began a good work in you,  
Won't stop now, He's breaking through.  
Every heartbeat, every move you make,  
He's turning glory from the mess we make.  
Oh Jaime, He's not done, He's not through -  
He's writing joy in every hue.  
I thank my God every time I do,  
For the good work He began in you!*

## Verse 2

You love big, and you laugh loud,  
You lift the low, you stand so proud.  
You've got a hope that's wild and free,  
And it pulls the best from me.  
Even when the storm tries to block your  
view,  
The Son still breaks right through -  
Yeah, the Son still breaks right through!

## Pre-Chorus

You don't have to be afraid of what's ahead,  
The same God's still painting what He said!

## Bridge

Yeah, the best is yet to come,  
You're still dancing to His drum!  
Every sunrise proves it's true -  
He's making something brand-new in you!  
Whoa-oh-oh, good work in you!  
Whoa-oh-oh, He's seeing it through!

## Final Chorus

*He who began a good work in you,  
Won't stop now, He's breaking through.  
Every heartbeat, every move you make,  
He's writing love no one can fake!  
Oh Jaime, He's not done, He's not through -  
Heaven's cheering loud for you!  
And I thank my God my whole life through,  
For the good work He began - In you!*
