Original recording key: G | Capo: N/A

Verse 1

[G]There's a fire You've placed in[C]side,
[G]Burning bright, it won't sub[C]side.
[Em]Every breath, every step I [D]take,
[C]Is a chance to shine Your [G]grace.
[G]No shadow can hide the [C]flame,
[Em]Your love forever pro[D]claims...

Chorus

[G]I'm a light on the [C]hill,
[Em]Set to shine Your [D]will,
[C]A candle that the night can't over[G]come.
[G]Let Your glory be [C]seen,
[Em]In the life You've re[D]deemed,
[C]Till the whole world knows Your [D]Son -
[G]I'm a light on the [C]hill.

Verse 2

[G]From the city streets to quiet [C]homes,
[Em]Your love in action, gently [D]shown.
[G]We'll lift our lamps and take Your [C]name,
[Em]A beacon in the dark pro[D]claim.
[G]Your truth will always [C]stay,
[Em]A light to show the [D]way...

Bridge

[G]So let my heart be a [C]window,
[Em]Let my life be a [D]song,
[C]Every act of love
[D]Will keep Your flame strong.
[G]We'll carry the [C]fire,
[Em]We'll carry the [D]flame,
[C]Together we'll shine
[D]In Jesus' name.

Final Chorus

[G]We're the light on the [C]hill,
[Em]Set to shine Your [D]will,
[C]A chorus that the dark can't silence [G]still.
[G]Let Your glory be [C]seen,
[Em]In the lives You've re[D]deemed,
[C]Till the world turns its eyes to [D]You -
[G]We're the light on the [C]hill.

Outro

[G]Let it shine...
[C]Let it shine...
[G]Light on the hill.
