

The Light On The Hill

(Inspired by Matthew 5:14-15)

Verse 1

There's a fire You've placed inside,
Burning bright, it won't subside.
Every breath, every step I take,
Is a chance to shine Your grace.
No shadow can hide the flame,
Your love forever proclaims...

Chorus

*I'm a light on the hill,
Set to shine Your will,
A candle that the night can't overcome.
Let Your glory be seen,
In the life You've redeemed,
Till the whole world knows Your Son -
I'm a light on the hill.*

Verse 2

From the city streets to quiet homes,
Your love in action, gently shown.
We'll lift our lamps and take Your name,
A beacon in the dark proclaim.
Your truth will always stay,
A light to show the way...

Bridge

So let my heart be a window,
Let my life be a song,
Every act of love
Will keep Your flame strong.
We'll carry the fire,
We'll carry the flame,
Together we'll shine
In Jesus' name.

Final Chorus

*We're the light on the hill,
Set to shine Your will,
A chorus that the dark can't silence still.
Let Your glory be seen,
In the lives You've redeemed,
Till the world turns its eyes to You -
We're the light on the hill.*

Outro

Let it shine...
Let it shine...
Light on the hill.
