

The Way They Should Go

Inspired by Proverbs 22:6

Original recording key: D | Capo: N/A

Verse 1

[D]Morning light spills through the [A]curtains slow,
[Bm]You're up before the sun has time to [G]glow,
[D]Packing bags, tying [A]shoes,
[Bm]Smiling though you've barely [G]snoozed,
[D]Every hug you give, it's pure [A]gold.

Pre-Chorus

[D]You're the calm in their [A]storm,
[Bm]The heart keeping them [G]warm,
[D]Building dreams out of bed[A]time prayers.

Chorus

[G]Jaime, you show them the way they should [D]go,
[Bm]With every story, every "I love you" [A]low.
[G]You teach them grace, you teach them [D]light,
[Bm]You hold their hearts through every [A]night.
[G]Clarry and Toby will always [D]know -
[Bm]They're loved the way they should [A]go.

Verse 2

[D]Finger paints and muddy [A]knees,
[Bm]Laughter dancing through the [G]trees,
[D]Little moments that the [A]world won't see,
[Bm]But heaven smiles at these [G]memories.
[D]You're planting seeds in tender [A]hearts,
[Bm]That'll bloom wherever they [G]are.

Pre-Chorus

[Bm]When the world feels too [G]wide,
[D]You're their shelter, their [A]guide,
[Bm]A reflection of God's gentle [G]care.

Bridge

[D]One day they'll run into the [A]world and fly,
[Bm]But they'll carry your love deep in[G]side.
[D]Every choice, every road they [A]find,
[Bm]They'll hear your voice in their [G]minds.

Final Chorus

[G]Jaime, you show them the way they should [D]go,
[Bm]Your love's the map their hearts will always [A]know.
[G]Through the laughter, through the [D]tears,
[Bm]You've built a faith that calms their [A]fears.
[G]Clarry and Toby will always [D]know-
[Bm]They're loved the way they should [A]go.

Outro

[D]Start them off on the way they should [A]go,
[Bm]And Your love will guide them [G]home.
