Inspired by Isaiah 46:4

Original recording key: A | **Capo:** Fret 2 (play G shapes)

Verse 1

[G]When the night feels long and I can't see [D]through,
[Em]When the storm clouds rise and the sky turns [C]blue,
[G]I hear Your whisper through the [D]waves,
[Em]"Be still, my child - I'm here, I [C]save."
[G]Though my strength may fade a [D]way,
[Em]Your love has never failed to [C]stay...

Chorus

[G]Still You carry [D]me,
[Em]Through the wind and [C]sea,
[G]When I fall, You hold my [D]heart so gently.
[Em]You lift my eyes a [C]gain,
[G]You remind me who I [D]am -
[Em]Even when I'm [C]weak,
[G]Still You carry [D]me.

Verse 2

[G]When the voices say I'm not e [D]nough,
[Em]You speak peace, You speak of [C]love.
[G]Your yoke is easy, Your burden [D]light,
[Em]You pull me close through every [C]fight.

Bridge

[Em]You calm the restless [C]tide,
[G]And draw me to Your [D]side..
[Em]You don't let go when I'm [C]sinking,
[G]You're the shore my soul's been [D]seeking.
[Em]Grace upon grace, wave after [C]wave,
[G]Your mercy saves - Your mercy [D]saves.

Final Chorus

[G]Still You carry [D]me,
[Em]Through the wind and [C]sea,
[G]When I'm lost, You call me [D]home completely.
[Em]You lift my eyes a [C]gain,
[G]You remind me who I [D]am -
[Em]Even when I'm [C]weak,
[G]Still You carry [D]me.

Outro
