

# You Surpass Them All

*(Inspired by Proverbs 31:25-29)*

## Verse 1

You walk in the room and the light starts to change,  
Every worry I had just fades away.  
Your laughter dances through our days,  
Strong and gentle in every way.

## Pre-Chorus

You lift me up when I lose my fight,  
You hold our world together tight.  
Grace in your step, fire in your soul —  
Girl, you make my heart whole.

## Chorus

*'Cause you're clothed in strength and dignity,  
You shine like love was made to be.  
You laugh at tomorrow, no fear at all,  
Many do noble things — but you surpass them all.  
Oh Jaime, you surpass them all.*

## Verse 2

Your hands build dreams from simple things,  
Your words give hope, your kindness sings.  
When life gets rough, you never fall,  
You love with a heart that gives it all.

## Pre-Chorus

You chase the dark with a gentle light,  
You make the ordinary feel so right.  
Our story's written in your smile,  
And I'd walk with you another thousand miles.

## Chorus

*'Cause you're clothed in strength and dignity,  
You shine like love was made to be.  
You laugh at tomorrow, no fear at all,  
Many do noble things — but you surpass them all.  
Oh Jaime, you surpass them all.*

## Bridge

And when the years keep rolling on,  
You'll still be the one I lean upon.  
Every sunrise, every fall —  
My heart still says, you surpass them all.

## Final Chorus

*Clothed in strength and dignity,  
You shine like love eternally.  
You laugh at tomorrow, you stand so tall,  
Many do noble things — but you surpass them all.*
